NEW FACES

We welcome two new volunteers to the HUB. Janine Hyslop will be taking over the Monday morning slot from Colin, and Stewart McPherson will be covering Friday afternoon, thus releasing David to do Saturday morning. Thank you to these two volunteers for their time and support - it gives us so much more flexibility in opening hours and thus enhances the service we can provide to Forres.

RAFFLE PRIZES

Susan Kemp, who has given a lot of time to supporting Forres Groups Action in the past has recently moved to Spain. She donated a large amount of tinned goods which we have split up into boxes. They would make an excellent basis for making up Xmas Hampers or even raffled off as individual items. Please contact Marie on 07999865656 if your group could use them to raise funds.

CONGRATULATIONS!

Transition Town Forres who have just succeeded in getting £184,000 from the Climate Challenge Fund to further their Allotment and Town Market projects.
